## COMPLIANCE STATEMENT

### BCE NEXXIA CORPORATION

1. BCE Nexxia Corporation ("BCE") is a "telecommunications carrier" as defined by 47 U.S.C. § 153(44). BCE currently provides voice and data services to other carriers on a wholesale basis, and to large business customers. BCE does not provide services directly to any individual residential customers. BCE does not use CPNI in order to market its services to its customers, and does not permit either its affiliates or third parties to access any CPNI in BCE's possession for marketing purposes.

2. Compliance with 47 U.S.C. § 222:

Except as otherwise required by law, BCE only uses, discloses, or permits access to CPNI received or obtained by BCE by virtue of its provision of a telecommunications service in order to (i) provide the telecommunications service from which such information is derived, or (ii) provide services necessary to, or used in, the provision of such telecommunications service.

a. BCE and its affiliates use CPNI in order to initiate, render, bill and collect for telecommunications services provided.

b. BCE uses CPNI in order to protect the property of the carrier or to protect users and other carriers from fraudulent or illegal use of, or subscription to, such services.

c. BCE does not provide any commercial mobile radio services ("CMRS") at this time.

b. BCE does not use, disclose or permit access to CPNI to identify or track customers that call competing service providers.

c. BCE does not use, disclose, or permit access to CPNI, without customer approval, except as otherwise permitted by law.

i. BCE does not provide inside wiring installation, maintenance or repair services.

ii. BCE does not provide local exchange services or CMRS.

d. BCE uses, discloses or permits access to CPNI to protect its rights or property, or to protect users of those services and other carriers from fraudulent, abusive, or unlawful use of, or subscription to, such services.

4. Compliance with 47. C.F.R. § 64.2007:

a. BCE does not currently use any CPNI for purposes which require prior customer consent under the Commission's Rules.

b. BCE does not disclose or provide access to CPNI to any joint venture partners or independent contractors, except for the purpose of supplying telecommunications services to its customers. In such cases, such disclosure or access is subject to a confidentiality agreement with the relevant entities prescribing that entity apply security and confidentiality measures no less rigorous than those of BCE.

5. Compliance with 47 C.F.R. § 64.2008:

a. BCE does not currently use any CPNI for purposes which require prior customer consent under the Commission's Rules.

6. Compliance with 47 C.F.R. § 64.2009:

a. BCE has implemented a system by which the status of a customer's CPNI approval can be clearly established prior to the use of CPNI.

b. BCE has trained its personnel as to when they are, and are not , authorized to use CPNI, and it has an express disciplinary process in place.

c. BCE does not use customer CPNI for marketing purposes. As such, it does not have any record of sales and marketing campaigns which use customer CPNI.

d. BCE has established a supervisory review process regarding its compliance with CPNI requirements. BCE does not conduct any marketing campaigns subject to the Commission's outbound marketing situations regulations.

e. BCE has established a procedure whereby an officer of the company conducts an

internal CPNI regulations compliance review. The attached certification is the result of such a

process.

f. Because BCE's only use of CPNI does not require customer approval under the

Commission's Rules, it does not currently solicit customer approval for use of CPNI via opt-out

mechanisms.
